

Dear Parents, Caregivers and Students

2012 GLENDOWIE COLLEGE SPORTS PROGRAMME

At Glendowie College we believe sports are an important part of our students' education. We are recognised as offering an extensive and varied sports programme. As we cannot absorb the full costs of the sports programme (and Government assistance is not available), it is necessary to charge a fee for each participating student. To enable families to plan their cost and level of participation for this year, we are providing this information.

In general, sports fees cover the:

1. Cost of outside venue hire, eg Gillies Ave for Badminton, ASB Stadium, Unitec, Auckland YMCA and Tamaki College for Basketball or Volleyball, Lloyd Elsmore Park, Avondale College or Auckland Grammar School for Hockey.
2. Purchase of equipment, eg cricket balls and bats, rugby balls, netballs, hockey helmets and chest pads, basketballs.
3. Entry into the regional competition with other schools and payment of affiliation fees to organisations, such as the Auckland Netball Association, Auckland Secondary Schools Cricket, Hockey and other sports and national Associations.
4. Expenses such as referee costs and some team travel costs e.g. school minivans.

The attached list has costings for each sport and also gives details of the day of competition and necessary uniform.

The Sports Co-ordinator is Mr Jason Crummer, who will be your first point of contact if you have any queries about sport. His contact details are:

Tel: 575 9128 x 161

Mob: 021 726 648

Email: sport@glendowie-college.school.nz

Mrs Elspeth Wilkins, Sports Administrator, can be contacted on:

Tel: 575 0799

Mob: 021 478918

Email: sport@glendowie-college.school.nz

We are looking forward to a busy and successful year of sport and would welcome parental involvement in the form of coaching / managing teams, helping with transport or just cheering on the sidelines.

Yours faithfully,

David James

Director of Sport

Glendowie College

SPORTS PROGRAMME 2012 – INFORMATION FOR PARENTS

Glendowie College offers an exceptionally wide range of sporting opportunities and each year our teams and individual students perform highly in regional and national sporting championships, with many individuals gaining selection in Auckland and NZ representative teams. Costs are valid as at January 2012.

Fee Payments: The College expects at least 50% of the respective sports fees to be paid within the month following notification of selection to the team/squad.

Additional Costs: If the College is unable to get adequate parental support in transporting students to sporting venues, an additional **cost may be incurred for taxi charges.**

Students have the opportunity to participate in one or more of the following sports offered at the college:
